| <p>1. Praise to the living God!<br/>                 All praised be his Name,<br/>                 Who was, and is, and is to be,<br/>                 For ay the same<br/>                 The one eternal God,<br/>                 Ere aught that now appears;<br/>                 The first, the last: beyond all thought<br/>                 His timeless years!</p> | <p>3. His Spirit floweth free,<br/>                 High surging where it will;<br/>                 In prophet's word he spoke of old;<br/>                 He speaketh still.<br/>                 Established is his law,<br/>                 And changeless it shall stand,<br/>                 Deep writ upon the human heart,<br/>                 On sea, on land.</p> |
| <p>2. Formless, all lovely forms<br/>                 Declare his loveliness;<br/>                 Holy, no holiness of earth<br/>                 Can his express<br/>                 Lo, he is Lord of all.<br/>                 Creation speaks his praise,<br/>                 and everywhere above,<br/>                 below, his will obeys.</p>                  | <p>4. Eternal life hath he<br/>                 Implanted in the soul;<br/>                 His love shall be our strength and stay,<br/>                 While ages roll.<br/>                 Praise to the living God!<br/>                 All praised be his Name,<br/>                 Who was, and is, and is to be,<br/>                 For ay the same.</p>           |
